Re: Request for copy of settlement
agreement in Interference 101,833

Dear Mr. Mazer:

Receipt is acknowledged of your request for a copy of a settlement agreement filed in Interference 101,833. The request was received by the Board on 10 November 2004.

A review of the docket entries for Interference 101,833 reveals that an agreement was filed on 30 September 1988 (copy of docket entries enclosed--see entry for Paper 21). Filing of the agreement was acknowledged on 7 October 1988 (see--Paper 22, copy enclosed).

Unfortunately, a search of (1) the records where interference settlement agreements are maintained in the usual course of business, (2) the interference file and (3) the files of the involved patent and application has not resulted in finding the settlement agreement.

A copy of your request and this letter will be placed in the file of Interference 101,833.

Sincerely,

McK
